hello.

My name is Angeline Hayuhay! I am a graphic designer from Manila, Philippines, also working with illustrations and web design. I love to design and develop web sites because I think that this is a beautiful way to express creativity and communicate with people all over the world.

WEB & MOBILE

DECEMBER SURPRISE

WEB ANIMATION / INTERACTIVE STORY.

As part of the final requirement for my Web Animation Class we were asked to make an Interactive storybook. This interactive storybook is a Christmas Fable for kids. The theme of the web animation is about Christmas and Friendship. The overall feel of the story is fun and uncomplicated.

AQUARIUS BEACH RESORT

LOGO AND WEBSITE.

Aquarius Beach Resort is a fictitious resort/hotel made for my design class. The produced website design and logo is minimal and brand focused. The identity / logo are based on the zodiac sign and constellation “Aquarius” to fortify the notion of the adaptive qualities of a beach.

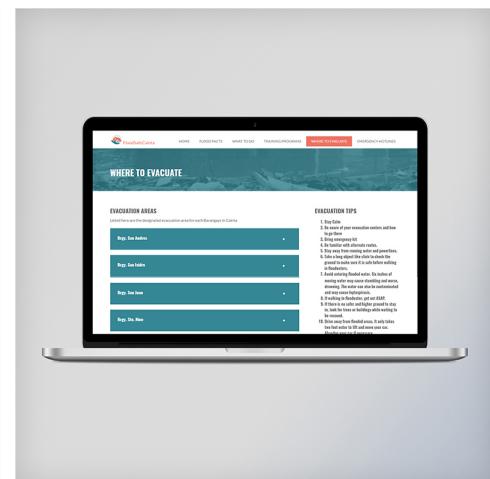

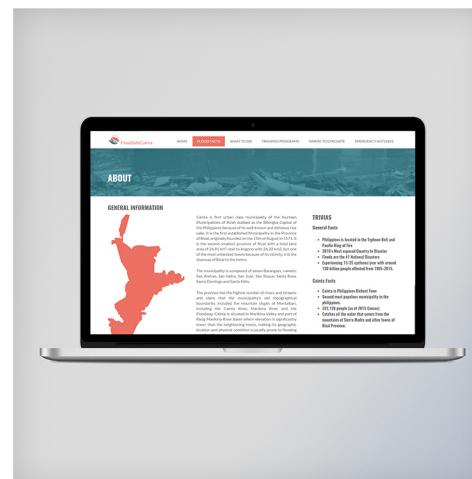

FLOODSAFE CAINTA

RESPONSIVE WEBSITE

It is a website for my Thesis about Flood Preparedness in Cainta. It aims to educate people about the trainings and programs of Cainta and how they should prepare for a flood event. A modern corporate theme is used for this project. The look-and-feel of the site is clean, light and airy, giving it a very friendly aesthetic.

PORTFOLIO DESIGN STUDY

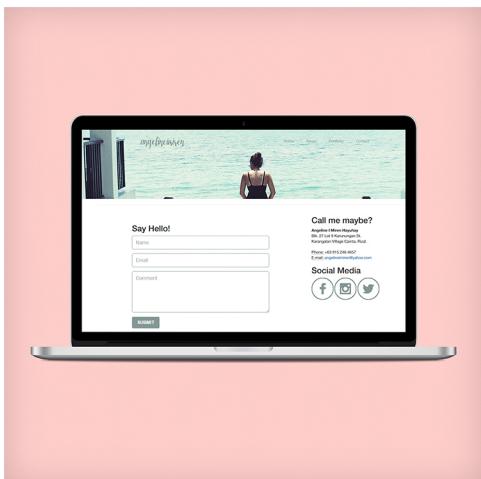

HTML/CSS

During my first ever web design class, we were asked to code and make a design study for our portfolio. The website design is very minimal and fresh.

WAKING UP ERIKA

MOBILE APP

It is the first interactive game I made for my first ever Game Design class; it is inspired by my classmate Erika who is often late for our 8 am class. The mechanics of the game is basically to wake up the character from her sleep through clicking

WATER CYCLE

WEB INFOGRAPHICS

the web animation is a an infographics about water cycle. The infographics is made to teach and show 4th grade elementary students a fun and exciting way to learn water cycle.

FLOOD WARNING APP

MOBILE APP

A mobile app about Flood Preparedness that targets kids on what they should do before, during and after a Flood Event. The designs of the app are playful and energetic yet informative and fun.

BRANDING

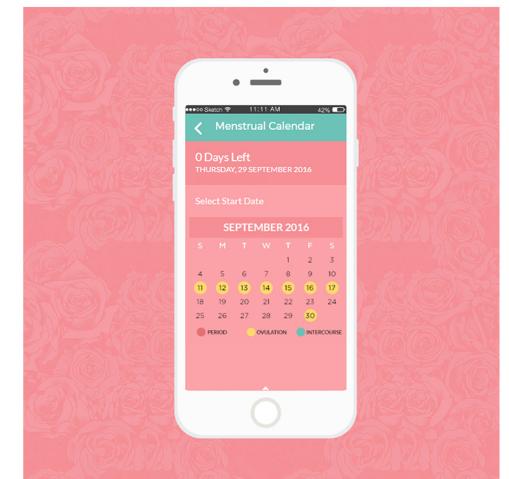

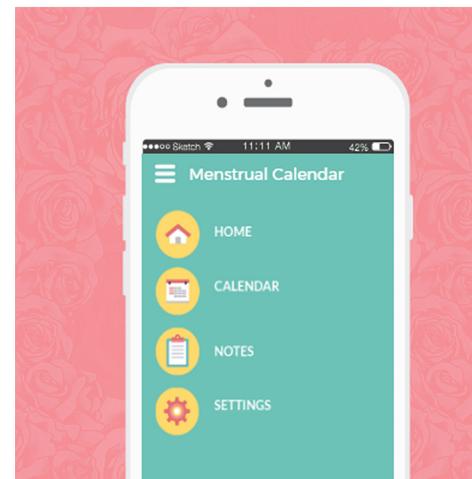

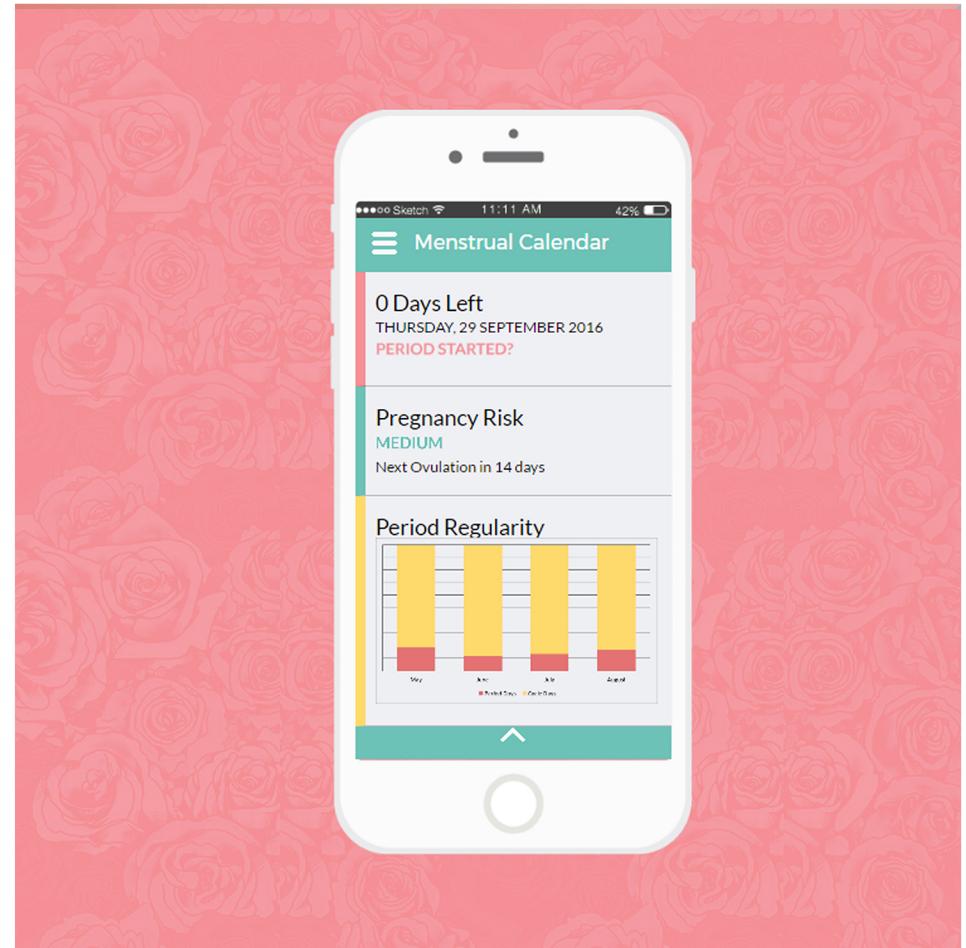

MENSTRUAL CALENDAR

WEB ANIMATION/ BRANDING

One of the requirements for my web animation class is rebranding of a mobile app. The rebranded app uses touches of mint green, pastel yellow and red for a more feminine and fresher feel of the app. .

ORABLITZ

BRANDING: Billboard & Online Ads

As part of the requirement for my Advertising class, we made creatives for a fictitious Popping Mouthwash "Orablitz".

ILLUSTRATIONS

OFFICIAL ENTRY TO THE 2016 METRO MANILA FILM FESTIVAL

DIE BEAUTIFUL

POSTER

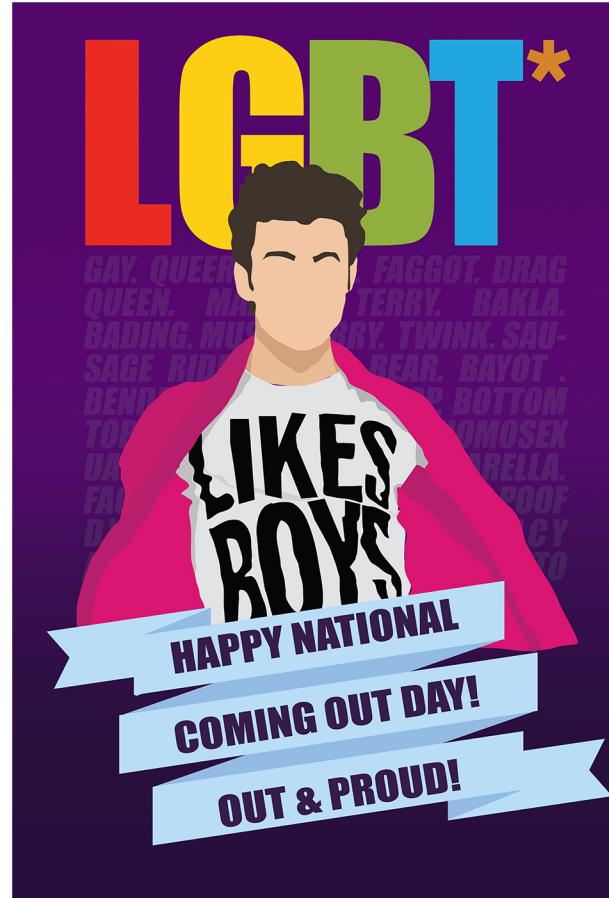

During the hype of the 2016's MMFF I was inspired to make a Die Beautiful Poster. I was able to imitate the original movie poster that has a queer yet beautiful feels.

LA LA LAND

POSTER

I vectored the La La Land Movie poster and to practice my layout and vectoring skills. I managed to keep the fancy vibes of the poster as wells as the signature dance moment and magic-hour sky.

LGBT: I'M COMING OUT POSTER

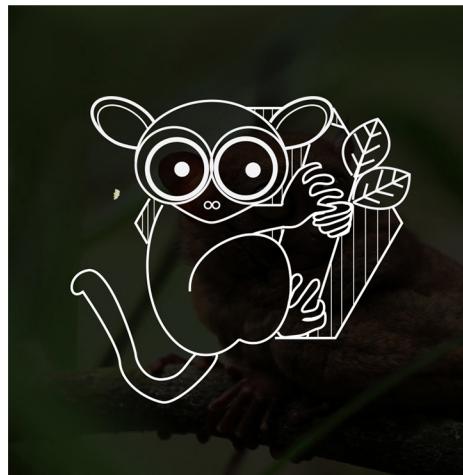

POSTER

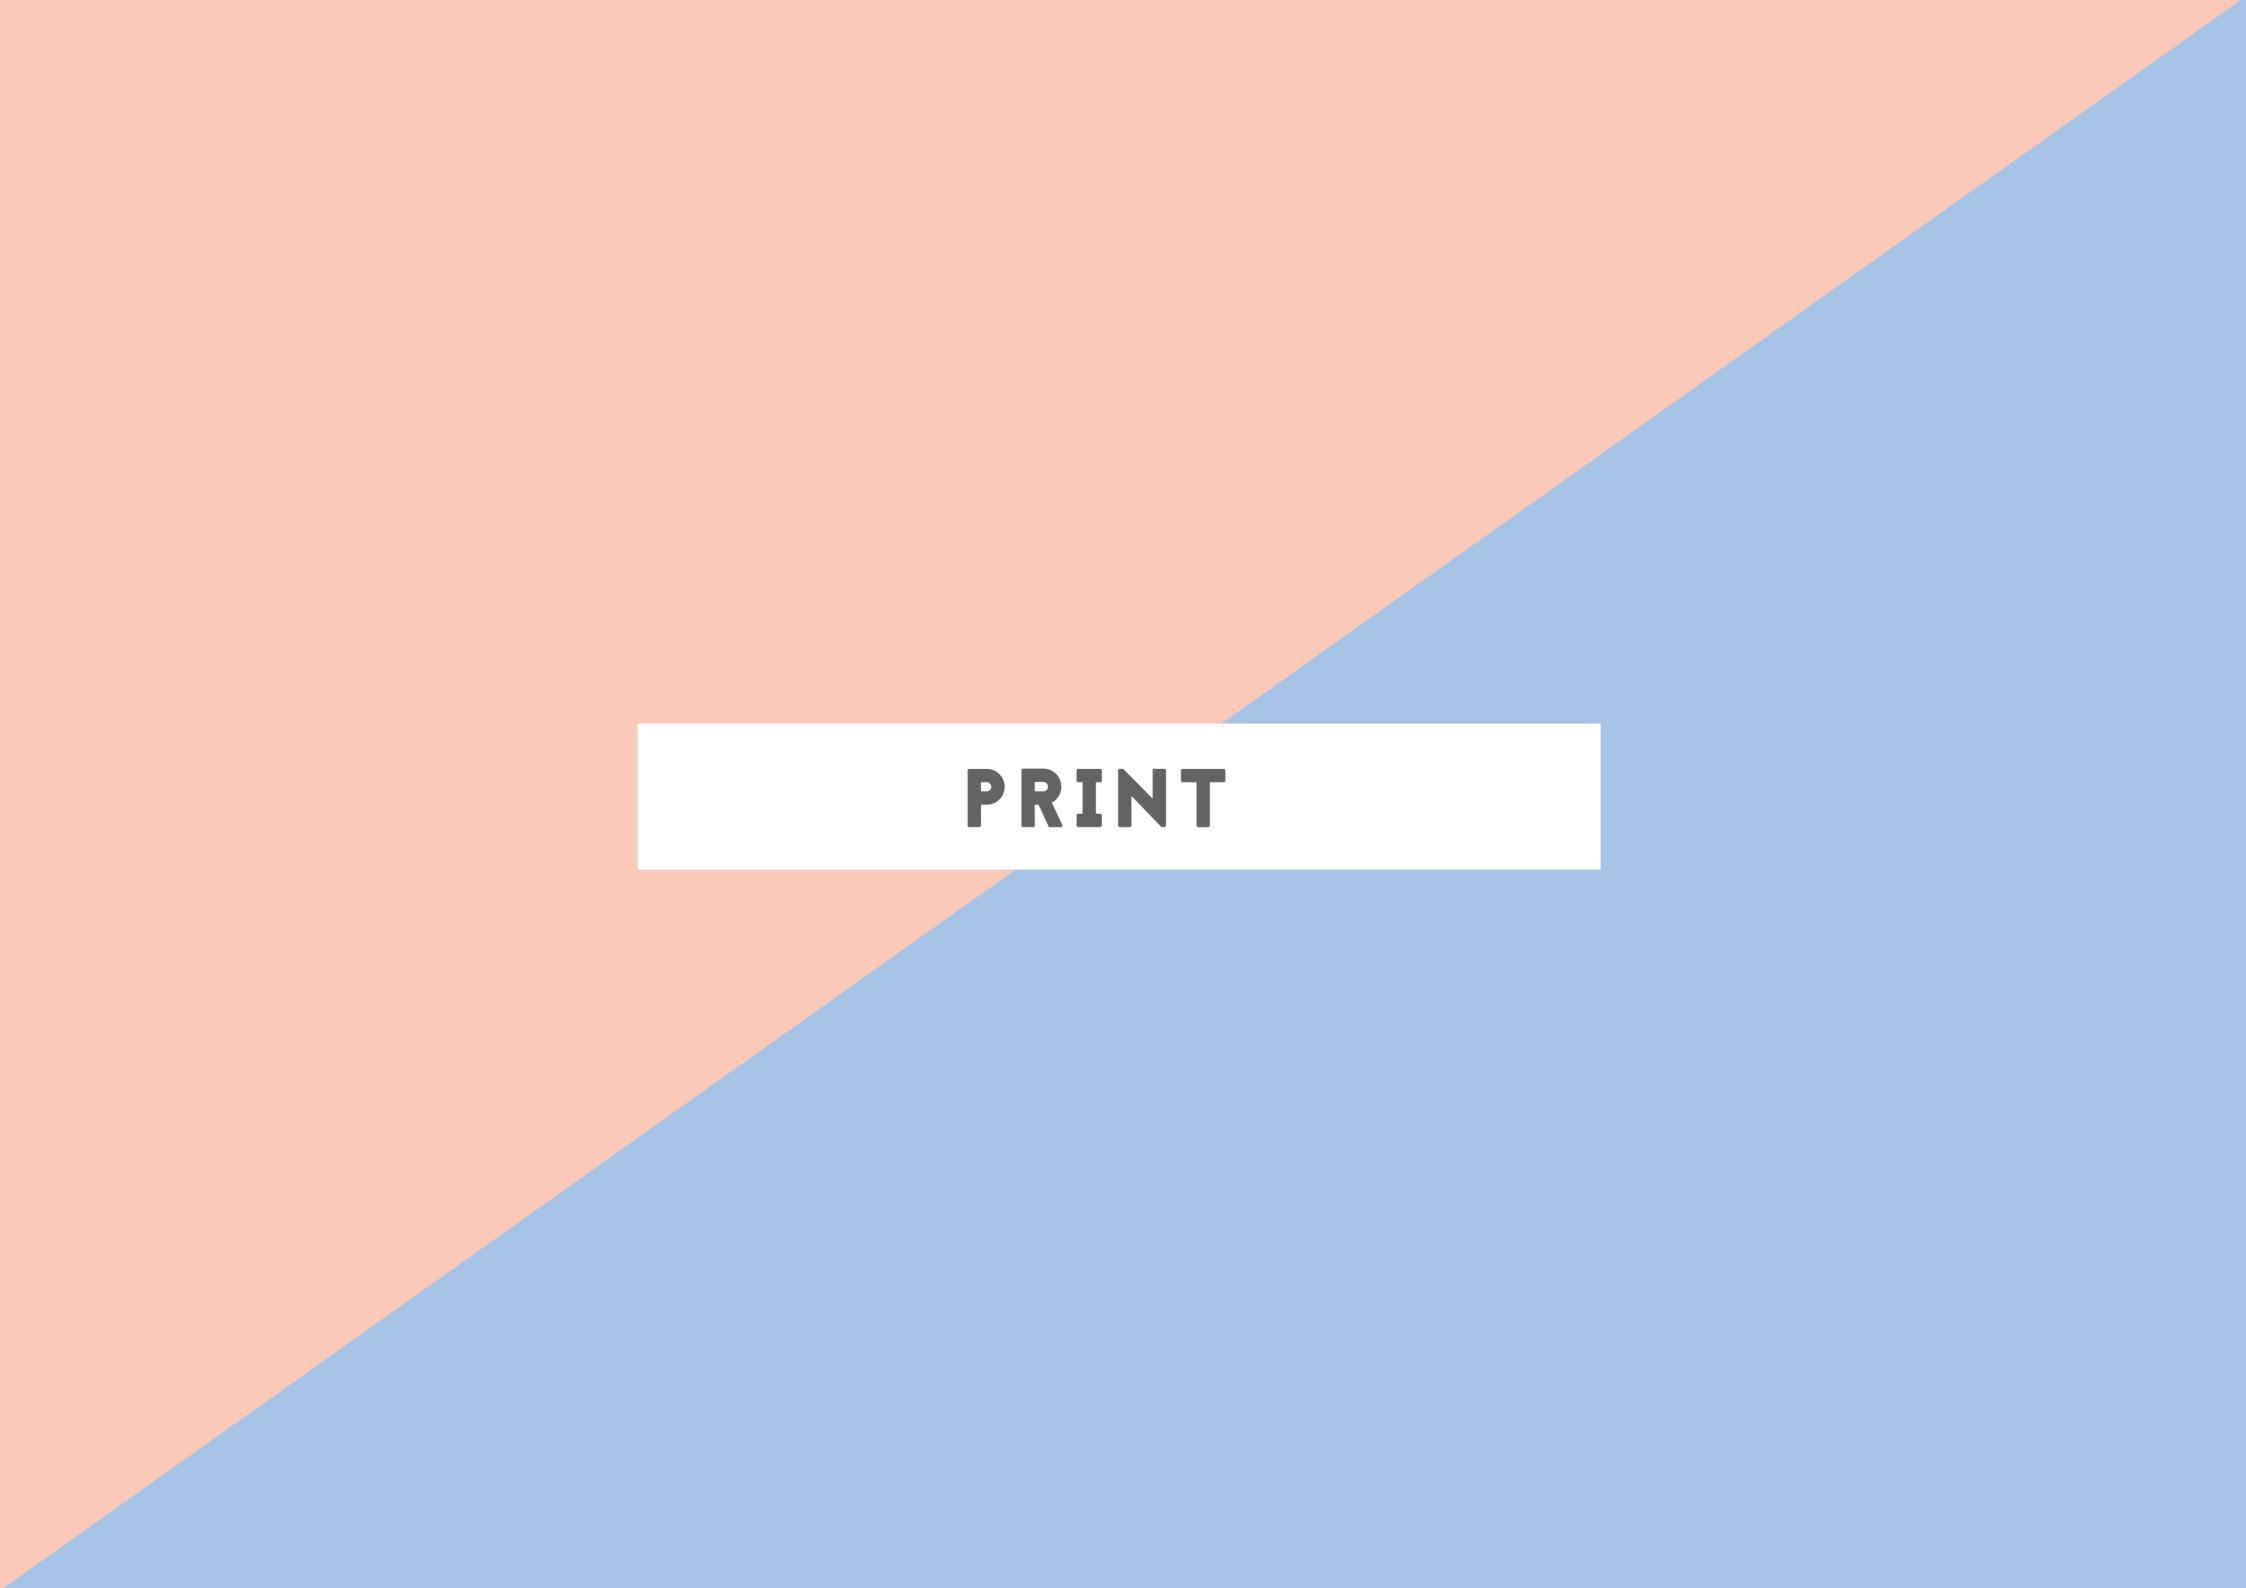

A celebrative poster about LGBT's National Coming out day celebrated every October 11 of the year.

BOHOL LOGOS

LOGO

Bohol, one of Philippines's most iconic travel destinations and home to an amazing array of sights, activities and events; and during my stay in Bohol, I was inspired to make logos for the best known tourist spots in the province

PRINT

FLOOD SAFE BROCHURE

PRINT.

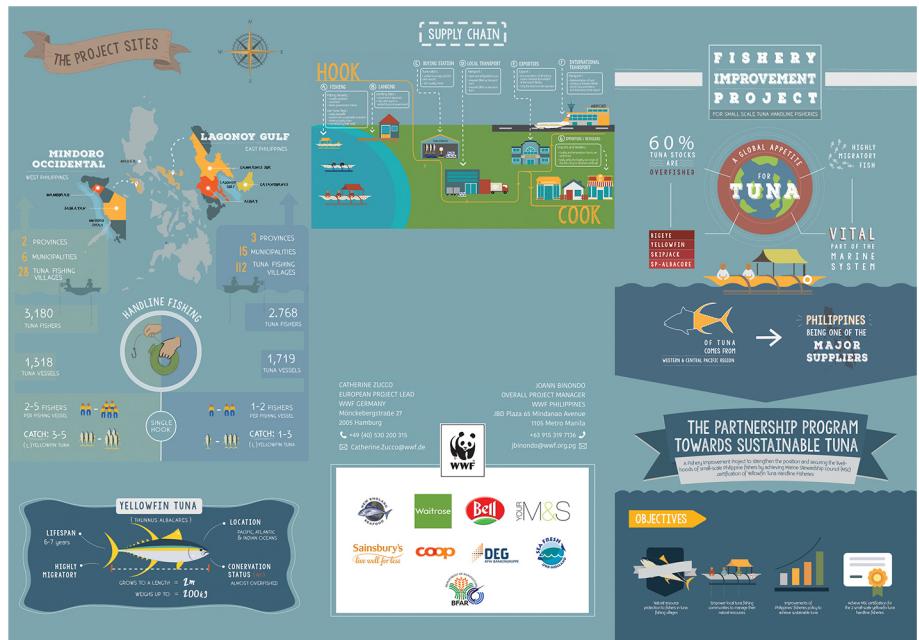

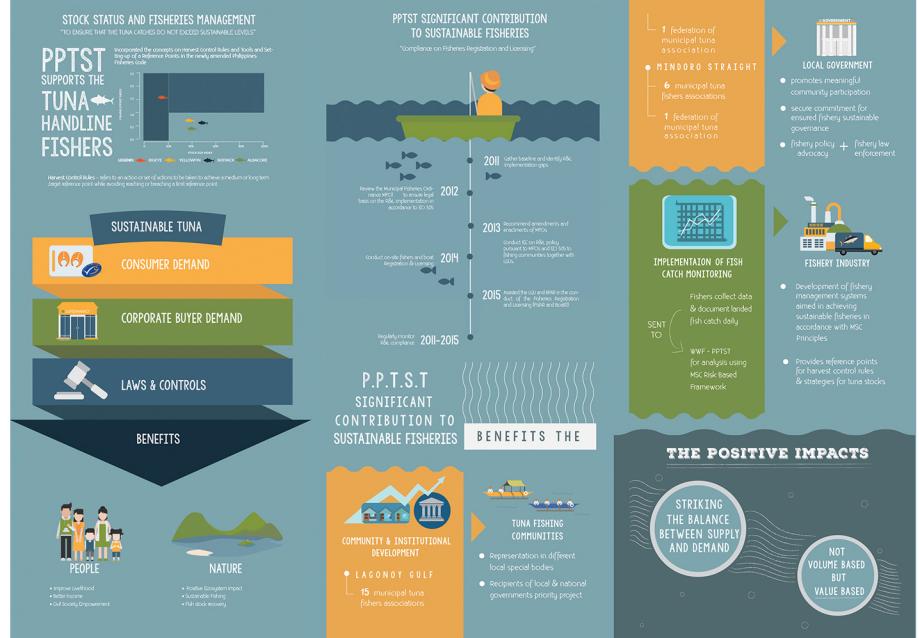

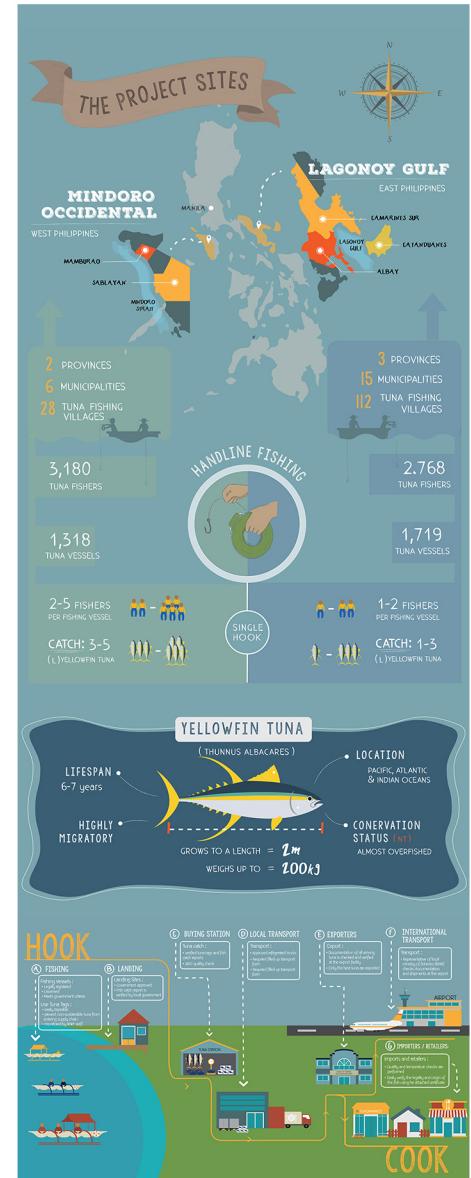

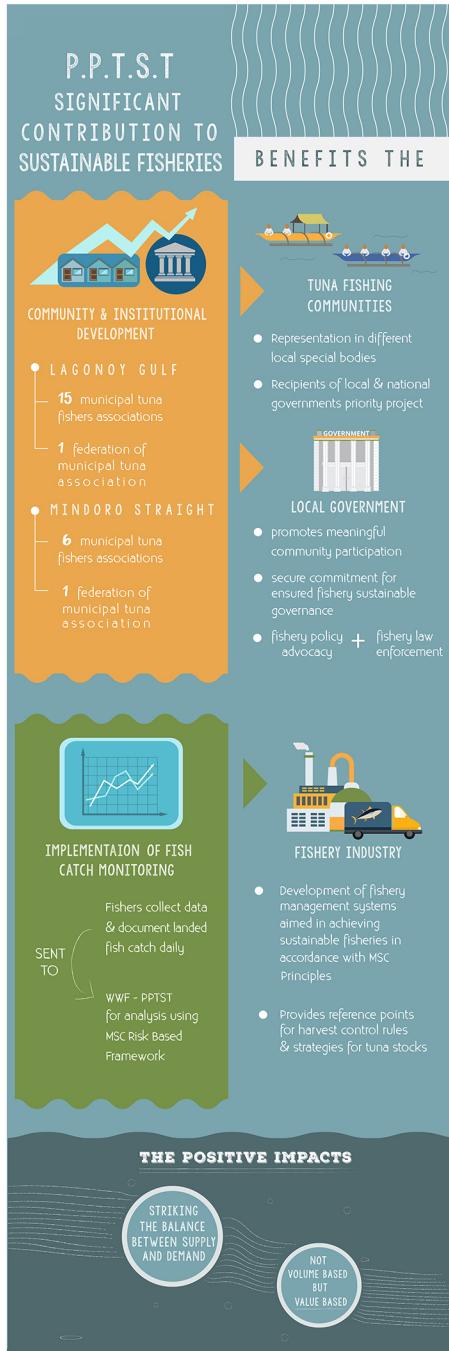

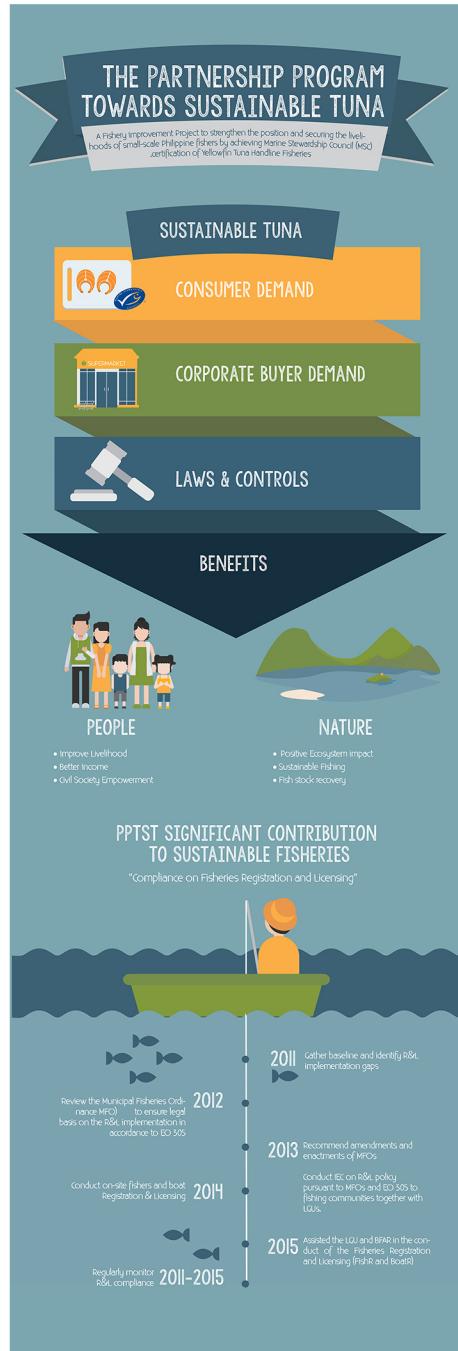

It is a brochure about Flood Preparedness in Cainta. It shows the step on what to do before, during and after a flood event, also include emergency kits and emergency hotline. The theme of the brochure is serious yet exciting and informative

WWF'S PPTST

PRINT.

World Wide Funding for Nature asked our team to make an infographics, Tarpaulin Design and a Pamphlet about their Partnership Program Towards Sustainable Tuna Project to be able to show the overview of their project visually through graphics and vectors in a way that a layman can understand.
